HATTER

STETSON UNIVERSITY
DELAND • FLORIDA

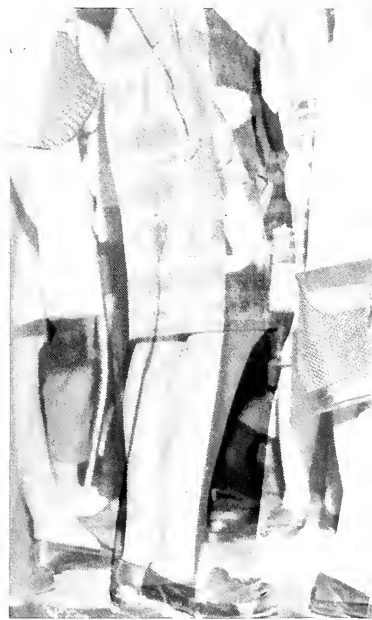

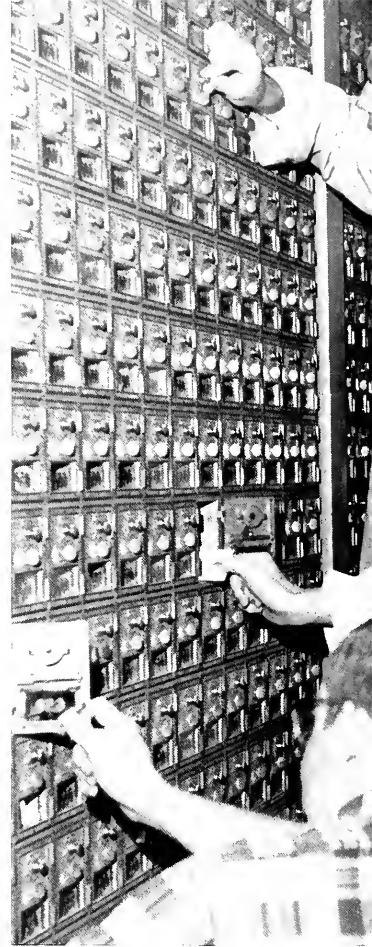

JOANNE FIELD

Editor-in-Chief

SHARON McRAE

Business Manager

Our university has many faces and many moods.

It is the confused face of a freshman as he encounters the experience of college life
not knowing what to expect or what is expected of him . . .

Orientation Week . . . the chaos of finding where everything is located,
learning new rules, and getting adjusted . . .

so many things to do . . . so many lines and crowds . . .

the new freshman has many decisions to make.

The trees, the buildings . . . all

are a part of Stetson's face . . .

Sunrise

ushers in a halo of light . . .

a change of weather

means a change of mood . . . Rain

gives one a chance to be alone

and think . . .

the night lends beauty to all . . .

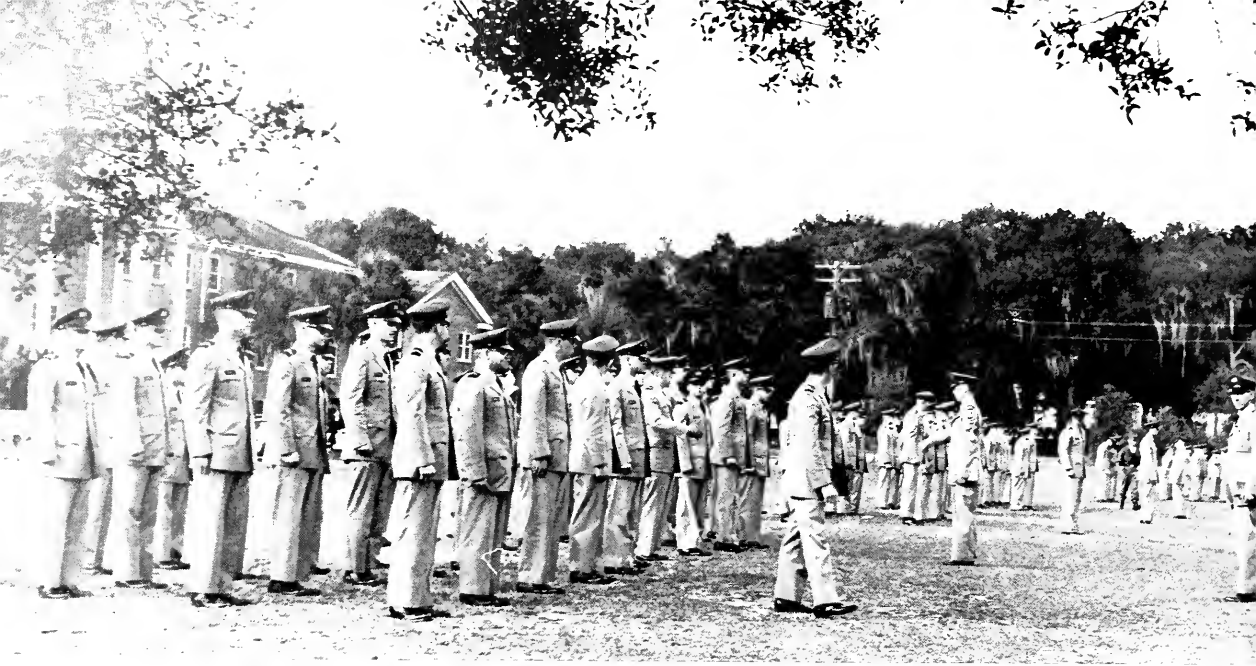

a soft movement, light shining through the trees,

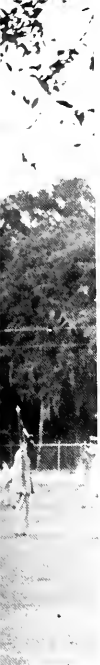

or a small animal

may spark a thought which will lead

to the discovery of one's self.

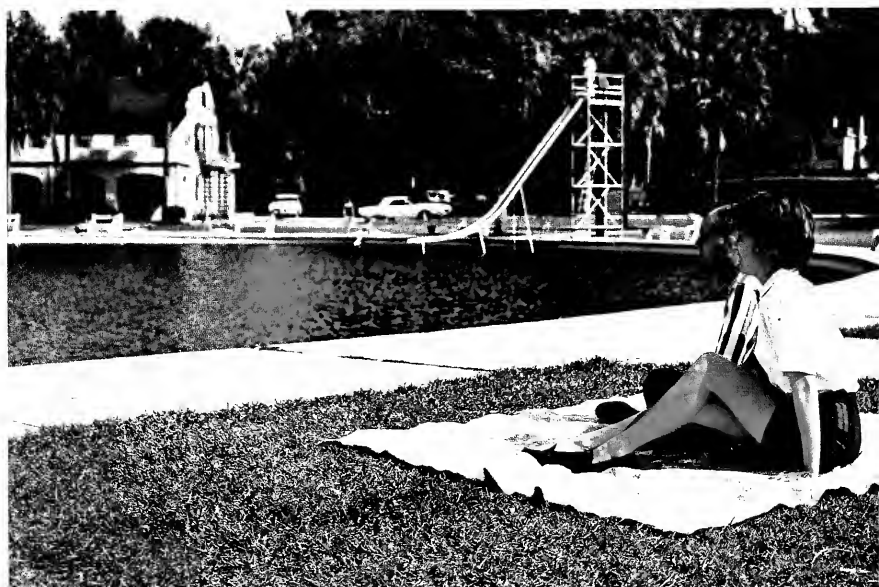

There is a myriad of forces
which shape the student.
In his four years at Stetson
he is exposed to many different fields . . .
he is free
to discover,
to create,
to learn,
to form his own opinions . . .
he is guided by professors
who consider him an individual
because
they themselves are
individuals.

The blaze of torches
and a gathering in friendly competition . . .
two hands, a kiss, and romance begins . . .
the rustle of tulle, excited tears,
and the parade down a winding staircase . . .
sun smiling faces and
a spray of mineral water
add to the feeling of carefree abandon.
Here lies the opportunity to meet new people,
to exchange ideas, to relax . . .
no college career would be complete without
its social life.

The echo of a thousand hands fills the air with its presence . . .

a scrutinizing look at a painting, a be-spattered palette . . .

the curtain rises

and a nervous breath is drawn, eyes focus on the stage . . .

a chord is struck . . .

Yet times of silence still exist . . .

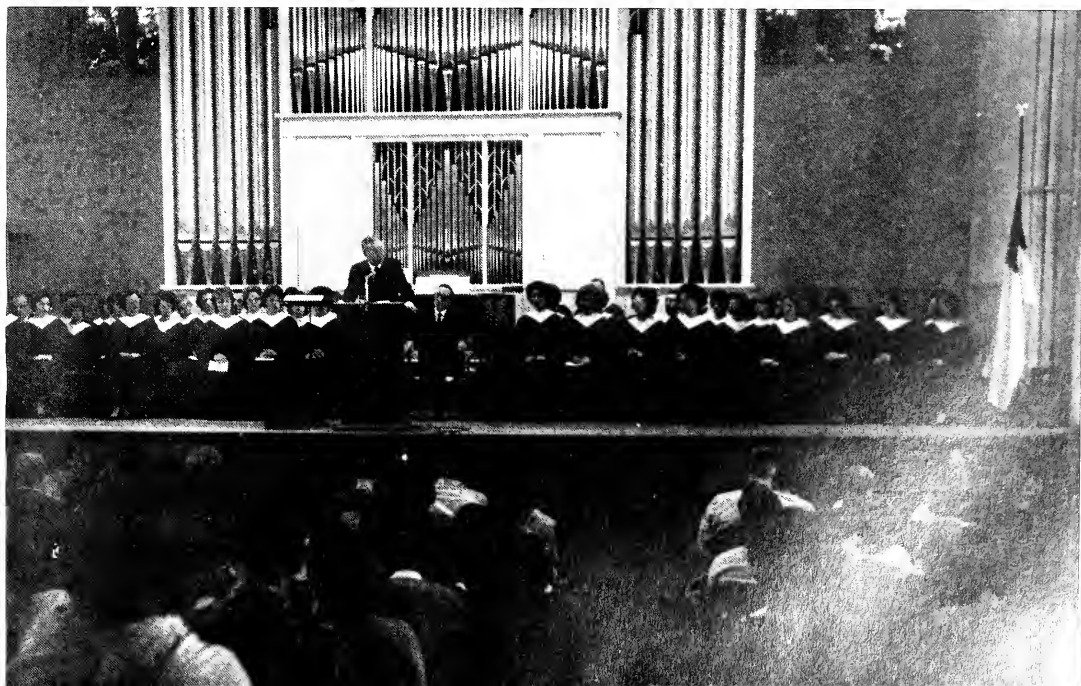

the universal need for

solitude

is met.

Religion and various forms of art find their place

in university life.

The dying embers of a holiday fire,

and the wishes of generations

of Stetson students . . .

a small speckled dog . . .

a mug of coffee, a folded newspaper,

companionship in the crowd . . .

anticipation, excitement, enthusiasm

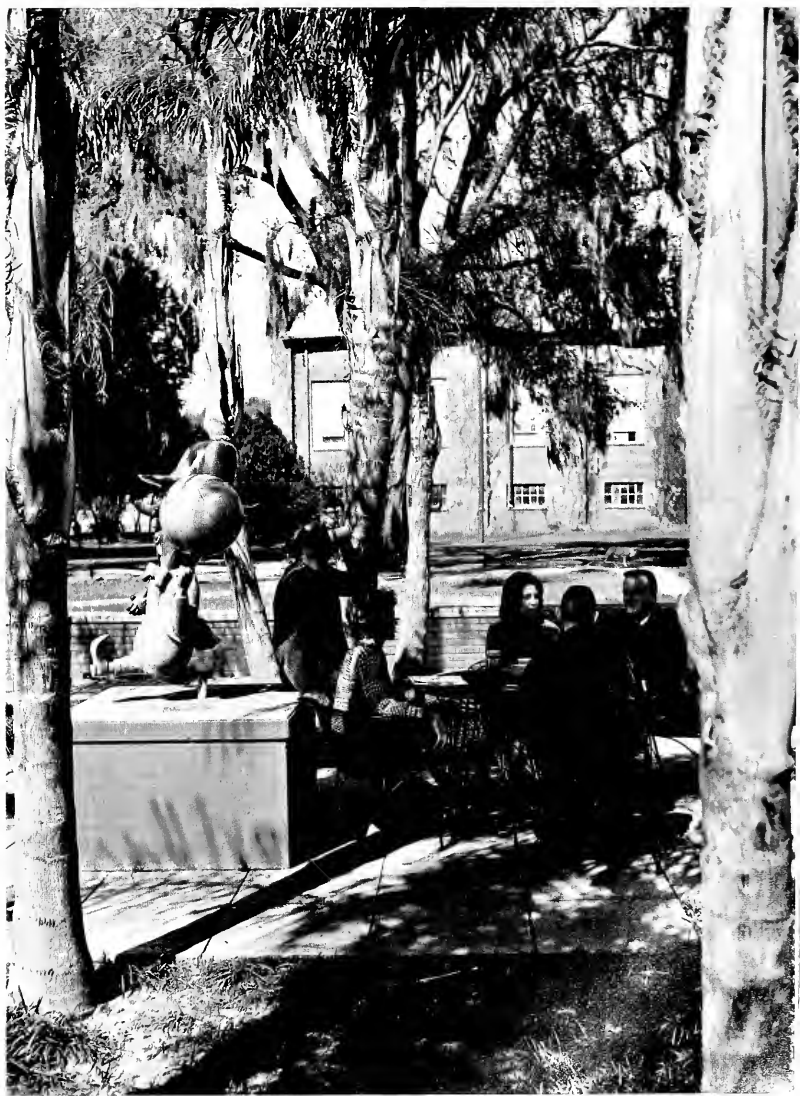

manifested in the warmth of a smile . . .

thru these faces we find ourselves,

and because we are challenged,

we mature

and enter the world as individuals.

Many gifted students make their debut in the orientation talent show.

The Student-Faculty social hour gives freshmen an opportunity to converse informally with their future professors.

Orientation Week Begins School Year

Spirited freshmen pack the Student Union Building to participate in one of the many orientation week socials.

In with the newest trend, Stetson freshmen enjoy a hootenanny in their honor.

Student advisers prove to be valuable friends to inexperienced freshmen.

Good food and hospitality are enjoyed at the annual banquet

Orientation Week provides incoming freshmen with their first glimpse of college life. Activities such as the President's Reception, the Freshman Banquet, the Freshman Talent Show, and the Hootenanny set the mood for the year ahead. Co-chairmen Katey Burchette and Jay Brophy and their committee planned a week full of opportunities to make new friends and to obtain valuable advice from upperclassmen and faculty.

Contestants for MISS HATTER title were: Diana Norton, Cissy Harris, Lynn Barron, Leanne McGinnis, Clara Cox, Leslie Alexander, Anna Kight, Joy Anderson, Sallie Gaskins, Diane Molnar, Diane Chandler, Janis Appleby.

Green Feather Carnival Raises Money for Charity

Come one, come all to Green Feather Carnival!

Smart maneuvers as the ranks execute their turns to the military sound of rifles and metal.

"Pie a Pi Phi or a Pi Kapp" is the theme of a booth.

A long awaited chance to dunk an Alpha Xi or Sig Ep for a worthy cause if you've got the price.

Green Feather is Stetson's annual campus-wide charity campaign, the proceeds of which are divided among more than twenty worthy national and local charities. This year the drive was under the direction of Patti Paulk and Marion Moorman; the theme was "Build the Feather by Giving Together." The climax of Green Feather Week is the carnival where fraternities, sororities, and other campus organizations set up booths ranging from a turkey shoot and a cake walk to a rickshaw ride. The crowning of Miss Hatter is the highlight of the carnival.

Feathers fly as the Phi Mu's battle with any takers.

Students find way to release pent-up emotions in pillow fight booth.

Intent student tries his skill in the annual turkey shoot.

Sparks Greek Week Spirit

Open houses by all the fraternities and sororities, the competitive sing, the Olympic meet, the formal dance, and finally the corporate chapel service—these many activities fill an exciting week in the Greek life. Under the capable planning of Nancy Irish and Dick Pickering, the Greek organizations combined their efforts to achieve a most successful week.

Grab your partner for the three-legged race and perhaps win a trophy!

Surrealism by Tuck Cooke holds fascination for returning grads.

Homecoming 1964, under the direction of Martha Woodbery and Mel Rodelli, was packed with various activities for alumni and students alike. A quiz bowl between alumni and students and a hootenanny were two new activities added to the traditional events. This year's weekend featured several banquets, fraternity and sorority open houses, the Founder's Day Convocation, a basketball game with our old rival, Rollins, a Stover production of Ionesco's *The Bald Soprano*, a sidewalk showing of student art, an opening of the nearly-completed library, and, finally, the annual dance.

There must be good food at the alumni-student picnic.

For dancing or listening pleasure, Sy Zintner's renditions are rated high by national polls.

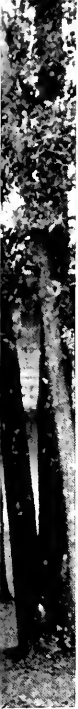

Lambda Chi Alpha and Alpha Xi Delta cop first prize for lawn decorations with their theme of Stetson's strides since 1902.

Theme: "Stetson Hits Its Stride"

Two young quiz kids, Mary Bues, Joe Garner, Ray Smith, and Richard Karberg, beat the alumni in an exciting play-off match, winning 2-1.

Alumni and students are conducted on a tour around the library which opens in spring.

The soft music and dim lights set the mood of the dance.

Hatter Holiday — A Day of Fun and Relaxation

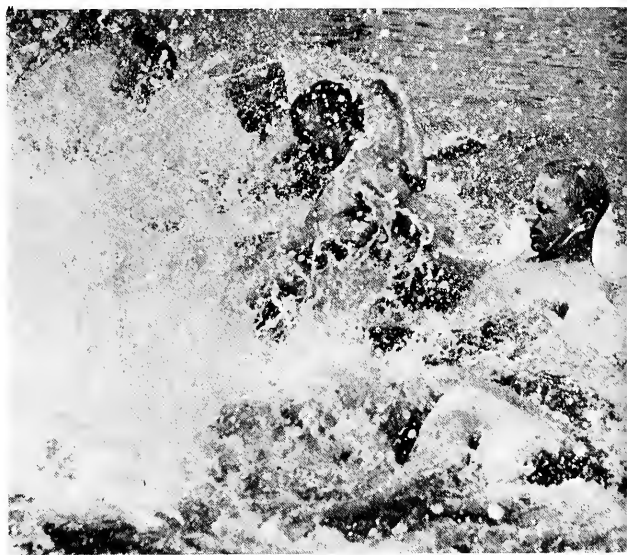

Hatter Holiday is the annual spring skip-day for Stetson students. Festivities begin with a dance the night before the scheduled day of freedom. The atmosphere thus created continues into the next day at DeLeon Springs. There students swim, eat lunch, and then individuals representing various organizations on campus participate in the various competitive games for trophies.

Events requiring more than physical proficiency round out the afternoon. Each fraternity and sorority has an entry in the Mr. and Miss Ugly Contest. The day is climaxed by the Mr. and Miss Stetson Contest. The winners of this contest are chosen on the basis of personality, poise and appearance.

The egg throw contest is filled with suspense and laughs.

The Mr. and Miss Ugly Contest demands a sadistic creativeness.

Competitive games like this provide opportunity to win a trophy while having fun.

The Children's Theatre production of "The Woman in the Shoe," written by Walt Sonnenburg, was a colorful and successful production.

Players rehearse "The Merry Wives of Windsor" for Parents' Weekend.

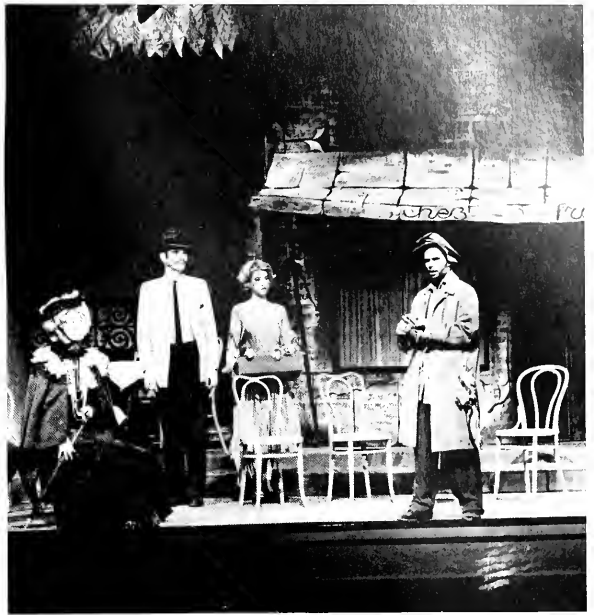

Ionesco's contemporary play, "The Bald Soprano," gave Stetson students a taste of a new type of theatrics.

Stover Theater Productions

This year, Stover Theater's repertoire has included a wide variety of plays: a farce, a comedy from the Theater of the Absurd, an adaptation of a Greek tragedy, a play based on "The Diary of A Young Girl," an opera, and a Children's Theater presentation. These productions provide the students with an opportunity to participate not only on stage, in the spotlight, but behind the scenes as well.

Auditions are held before each production, and those students not selected for the cast usually try out their talents in some other aspect of the theater arts, such as make-up, set design and construction, lighting effects, costuming, properties, publicity, and prompting.

Stover Theater's production of "The Mad Woman of Chaillot"

This year Stover was honored to have as guest star in its production of "Antigone," John Caradine, who portrayed Creon. Diane Strickland co-starred as Antigone.

Student Government

Cabinet members are: Ned Julian, Sec. of Traffic Control; Butch Spivey, Sec. of Elections; Jay Landers, Pres.; Martha Slaton, Sec. of Communications and Public Affairs; Bill Dunifon, Sec. of Student Welfare; and John Pickering, Sec. of Student Events.

The Student Government is organized for the purpose of promoting responsible, purposeful, and effective student leadership, performing services for the student body, expressing student opinions and linking communication between the administration and the students. The Student Government has worked hard this year to further these aims.

Many innovations have come about this year. The structure and effectiveness of Student Government has been improved by the addition of statutes to the constitution. These statutes contain election and senate procedures, traffic regulations, provisions for the establishment of a student cabinet, and a curriculum evaluation council.

Such traditional projects as Spring and Fall Concerts, Green Feather, Homecoming, Hatter Holiday, and Parents Week-end met with usual success.

Overall, this has been a year of growth and accomplishment for the Student Government; a year which has laid the foundations for an even stronger and more influential organization in the future.

Stetson Union Board

The Stetson Union Board plans many of the extracurricular activities centering around the Stetson Union. It sets the operating policies for the Union Building, allocates office space, and operates the Way Out and the Bowling Lanes.

Membership on the Board includes members appointed by the previous Board, members elected by the student body, committee chairmen, as well as faculty representatives. The Union Board includes six committees: Education, Social, Tournaments, Recreation, Publicity, and Films. Through these committees the Board sponsors lectures, coffee hours, tournaments, weekly movies, special dinners, parties in the Way Out, concerts, receptions, and hootenannies. Special programs this year include: Jazz and Poetry, Scott Morrison, Faculty Travel Slide-Lectures, and Josh White.

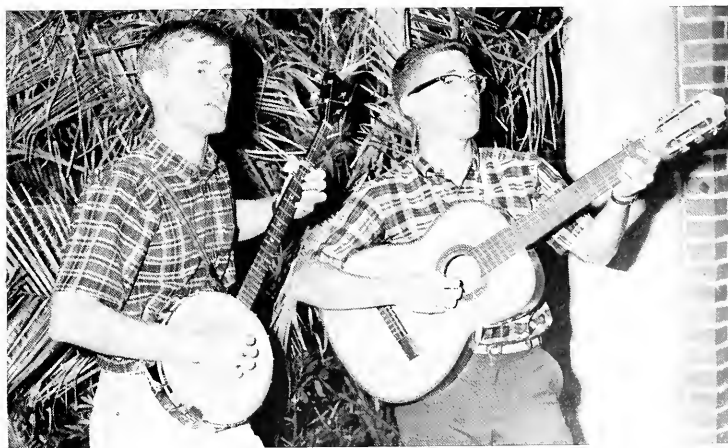

The Stetson Union has two staff personnel: Miss Jackie Hogue, the Union Program Director, and Mrs. Althea Sprague, in charge of reservations and general supervision of the building.

1964 Hatter

For the first time in several years the HATTER had a functioning and organized staff. Even so, the perennial problems of approaching deadlines, undeveloped pictures, and missing copy appeared again this year. No one can ever really appreciate a yearbook or realize how much time and effort are required until they actually work on the staff.

After many sleepless nights, frantic searches for pictures and missing organizations, the 1964 HATTER made its appearance.

A genuine interest in helping others is the main qualification, and the girls often go on to further work in personnel work or guidance counseling.

Resident Advisors

The responsibility of the men on the Residence Hall Staff is a large one. They are there to counsel and advise the men residents of the university, and in general, supervise the dorm life. B.S.U. activities begin a week before the fall semester opens with a pre-school retreat at the MYF camp in Leesburg. The party during Orientation Week, this year entitled Polynesian Paradise, is always one highlight of the year. Regularly scheduled activities during the year include vesper services several evenings each week, a discussion group each Saturday, morning watch at seven on Friday morning, and fellowships on alternate Sunday evenings. Study breaks are offered during each final exam period, as well as many other socials throughout the year.

In the field of leadership, Mortar Board sponsors, with Omicron Delta Kappa, the traditional Freshman Leadership Banquet and the annual Homecoming Leadership Banquet. Mortar Board also recognizes outstanding women leaders each year with a Women's Leadership Banquet.

To promote scholarship, Mortar Board has sponsored a series of faculty "Last Lectures," and a round table discussion on graduate study. In addition, Mortar Board sponsors the Tassel, gives an annual Smarty Party for Freshman scholars, and recognizes worthwhile campus contributions through "Mortar Board Salutes" in the Reporter.

Scabbard and Blade

Scabbard and Blade is a national military honor society for senior ROTC cadets who have developed and fostered the ideals and practice of military education in the United States. Its purpose is primarily to raise the standard of military education in American colleges and universities. The Stetson University Company D-10 was founded in 1951. Presently commanded by Cadet Robert Matthews, the Company has Miss Elaine Rutledge as its honorary sponsor and Captain Joe A. Brown as its regular Army adviser. Scabbard and Blade's Turkey Shoot is always a high money raiser at Green Feather, and Military Ball highlights the Spring social season.

Pershing Rifles is a national military honorary for basic ROTC cadets. It promotes proficiency and interest in the basic program of ROTC. This year's commander is Cadet Rodger Bunnell. Miss Peggy White is the Company's honorary sponsor. Regular Army adviser is Major Harry B. Stoudemire. The Pershing Rifles is noted for its polished marching formations which the group demonstrates at the Green Feather Charity Carnival, in local parades, and at drill meets.

Military

Army ROTC is designed to supply the nation with qualified leaders of high morals and character. Through the ROTC program the qualities of leadership, patriotism, efficiency, loyalty, obedience, courage, duty and honor are developed.

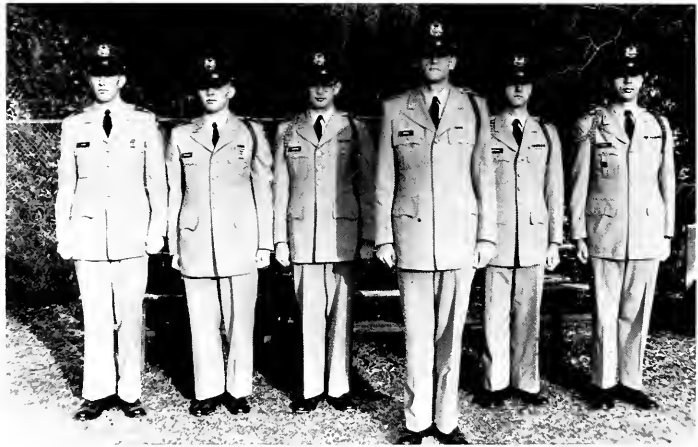

Graduates of the ROTC program have been prepared since the turn of the century to perform their responsibilities as citizens wherever the security of the United States is threatened by foes. Stetson ROTC men are serving with the Army from Viet Nam to Berlin with the same vigilance as their forefathers.

ROTC is a four year program during which cadets take part in summer camp training, rifle matches, drill meets, parades, and sponsor Military Week and the annual Military Ball. Outstanding basic cadets are tapped into Pershing Rifles and outstanding senior cadets into Scabbard and Blade. Those designated by the university and PMS as Distinguished Military Students are given the opportunity of entering the regular Army.

Soccer

Stetson's varsity soccer team under the helm of Coach Berner "booted" its way to an impressive 3-5 season this year. With two victories over Jacksonville's Dolphins and a 2-1 upset over arch-rival Rollins, the Hatters showed promise of eventually developing into more of a contender in the Florida Intercollegiate Conference. Our two losses to perennial powerhouse, Miami, a primarily foreign team, were expected as usual.

The team was led by eight returning lettermen including Ralph Youngerman, Dennis Skelton, Dave Smith, Dave Tucker, Phil Baker, Gene White, Skip Broome, and Colonel Mansfield. Newcomer Tad Jones represented Stetson on the All Florida Intercollegiate Conference Team as well as being one of the scoring leaders.

Basketball

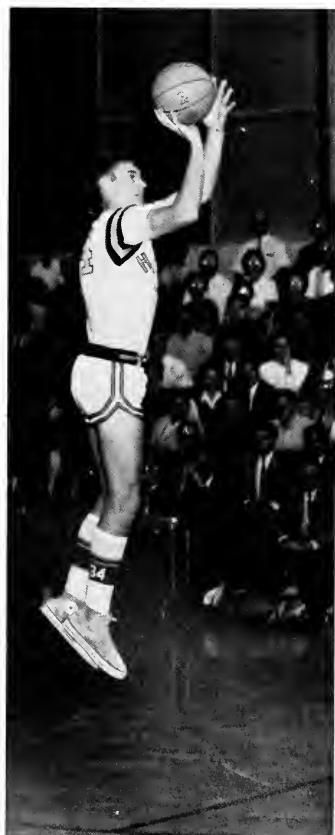

Stetson's Hatters continued their long lasting tradition by having its fourteenth consecutive winning season. Coach Glenn Wilkes in his seventh year as Head Basketball Coach guided the team to a 16-8 record in regular season play. Early in the year the Hi-Hats won the 100th game for Wilkes.

This year Stetson faced what was probably its toughest schedule in the history of this traditional basketball power. A road trip taking the Green and White to St. Peters of New Jersey, Iona of New York, and American University of Washington, D. C. proved to be a little too much for the Hats as they dropped all three. However, their fine play in the Hatter Invitational won them the second place trophy in a close 77-78 loss to Wofford of Spartanburg, S. C.

Ten lettermen returned this year from last season's District 25 NAIA Championship team. Unable to find the right combination, Coach Wilkes shifted frequently his five starters. Bill Pickens, a 6'9½" transfer from Georgia Southern held down the center post, picking off the most rebounds and scoring the most points on the team. Behind him were Ken Kincaid and Jack Sparks.

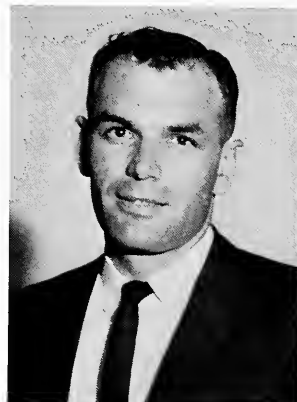

Junior Bill Hester broke the school's record for the most points scored in a single game by pumping in 45 points against Tampa. Seniors Vernon Waters and Bobby Paschal along with junior Bill Clark turned in real clutch performances at forward. Tom Barnard, Jim Jarrett, Frank Shelton, and Jim Yaeger alternated at guard. Freshmen Steve Buchanan and Fred Bryant, while not playing too much, showed promise and got some varsity experience behind them.

As the Hatter goes to press Stetson is on the way to another shot at the NAIA Finals in Kansas City, Missouri.

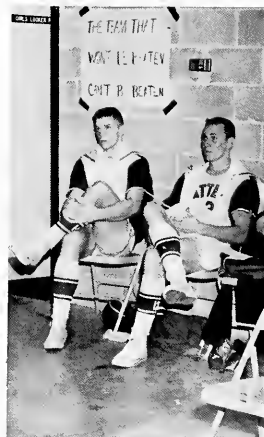

Waters swishes a fifteen foot jumper.

Again this year the big bats were carried by seniors, Verle Beebe and Dewey Terrell, along with co-captain Dale Massing. The pitching chores were handled by Dewey Terrell, John Mayer, and new-comers Craig Gruber, Sergio Sanchez, Gary Kappeler, Tom Linzee. Stetson's netters looked forward to this season's long schedule with great anticipation. This year was the best that the Green and White has ever fielded.

With Dave McIlvain and Lenny Grace playing number one doubles, the team fared well against all competitors. McIlvain and Grace alternated singles with Denise Wall, Don Coonley, and Adrian Bambini. Bert "Pancho" Gonzalez and Pete Maddock showed promise as rookies.

Denise Wall, the only woman playing varsity sports for Stetson, has been recognized nationally by the Associated Press and *Sports Illustrated*. She was a definite asset to our team, and at the same time she furthered the cause for female participation in varsity sports.

Intramurals Boards

These boards, working with their respective groups, direct one of the most popular extracurricular activities at Stetson-intramurals. Each week the groups meet under their student directors, Dell Marie Mikell, women's, and David Johnson, men's. At these meetings new rules, point standings, all-star teams, and conflicts in schedules are discussed. Each member is responsible for informing his organization of the latest news.

Men's Intramurals

Every student at one time or another has participated in one of the intramural program's wide range of sports, including basketball, softball, bowling, volleyball, tennis, etc. This facet of campus life is the most popular of all extracurricular activities for this reason: There are two divisions, green league and white league, which make it possible for all to compete.

In each sport all-star teams are chosen by the Intramural Board. Points are given for participation as well as additional points for those making an all-star team. At the end of the intramural season the athlete with the most points is named the "Intramural Athlete of the Year."

Trophies are given to the winners in each sport and the President's Cup is awarded to the team with overall supremacy at the season's end. Sigma Nu won its second leg in 1962-63.

PRESIDENT MARY DELEGAL

Alpha Chi, Janis Appleby, is honored by Sig Ep serenade.

Alpha Chi's participate in Stetson's annual inter-sorority powder-puff football tournament.

Alpha Chi Omega

Alpha Chi Omega was founded in 1885 at DePauw University in Greencastle, Indiana, by seven members of the music school. The golden lyre was chosen because of its significance as the first musical instrument of the Greeks and because it represents the musical heritage of Alpha Chi. The colors are scarlet and olive green, and the flower is the red carnation.

Gamma Chi Chapter was founded at Stetson in 1957 and has been chosen the outstanding Alpha Chi chapter in the state of Florida. Alpha Chi's are active in the leadership honoraries on campus. Diane Gentry is a member of Mortar Board and Who's Who; and Patti Paulk, Barbara Chapman, and Carol Robb are members of Tassel.

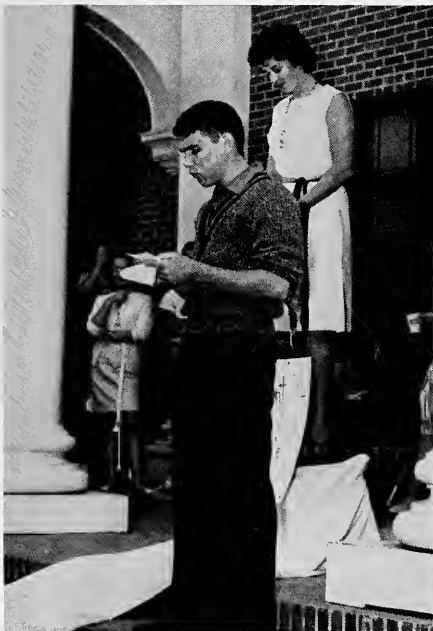

This year, Nancy Irish served as chairman of Greek Week and Patti Paulk was chairman of Green Feather, with many others taking part on the various committees. Joyce Deaton, was publicity chairman for Parent's Weekend.

Scholarship is an important aim of Alpha Chi, and many of the girls are on the Honor Roll and Dean's List. Honoraries represented include Sigma Tau Delta, Sigma Pi Kappa, Kappa Pi, of which Nancy Irish is president, Sigma Beta Chi, Kappa Mu Epsilon, to name a few.

Judi Hooper and Pam Barbre are on the cheerleading squad, and Donna Carr plays in the school orchestra. Two of the few women senators are Alpha Chi's, Jenny Dekle and Linda Priddy.

Many of the members serve on Chaudoin, Conrad, and Stetson House Councils. Diane Gentry is president of Chaudoin Hall, with Jenny Dekle and Carol Robb serving as representatives on Executive Council. Publications are not neglected, as Joyce Deaton writes for the *Reporter*, Anne Whitlock and Becky Phillips are on the *Hatter*, and Carol Robb is editor of the *Compass*, on the *Hatter*, *Stetson Review*, and Publications Board.

Officers of Alpha Chi for 1963 were: President, Mary DeLeGal; 1st Vice-president, Nancy Irish; 2nd Vice-president, Carol Robb; Recording Secretary, Bev Wilson; Corr. Sec., Judi Hooper; Treasurer, Margie McCree; Social Chr., Carole Owsley.

PRESIDENT GWEN CHESHIRE

Actives anticipate the arrival of new pledges.

An atmosphere of excitement prevails as Alpha Xi actives welcome their new members.

Alpha Xi Peggy White serves as Pershing Rifle Sponsor.

Alpha Xi Delta

Alpha Xi Delta was founded April 17, 1893, at Lombard College in Galesburg, Illinois. Its ten founders chose the pink Killarney rose as Alpha Xi's flower, and the double blue and gold as its colors. Alpha Xi's wear as their symbol the golden quill studded with pearls.

Omega Chapter was installed at Stetson in 1917, and its members are known in all phases of campus life for their friendliness and versatility. Evidence of this is found in the chapter's trophy case through such awards as the 1962-63 intramurals participation trophy and the 1963 second-semester scholarship trophy.

Alpha Xi Delta is well represented in campus activities. Judy Campbell is at the head of the Women's Executive Council, and Leigha Roberts is president of the council. In addition, Carol Rutan serves as president of the Music School. Among Stetson's Cheerleaders are Diane Strickland (captain), Francene Smith, Peggy White, Caryl Giffin, and Kevin Davis.

Alpha Xi's are also outstanding members of many of Stetson's honorary societies: Tassel (president Elizabeth Wick), Scroll and Key, Phi Society, Sigma Beta Chi (president Diane Molnar), Kappa Mu Epsilon, Sigma Tau Delta, Kappa Pi, Phi Beta, and Kappa Delta Pi.

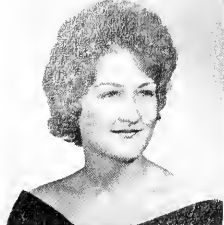

Among the special honors achieved by Alpha Xi's is that of Pershing Rifles Sponsor, a title held by Peggy White. Diane Molnar is Delta Sig Sweetheart; the reigning Lambda Chi Crescent Girl is Suzanne Mullins, and members of the Crescent Court include Peggy Justice and Leanne McGinnis.

In addition to local activities, Alpha Xi Delta finds a great source of pride in its national philanthropies, such as one of the most important projects which seeks to assist in the problem of juvenile delinquency. The chapter also helps with several annual charity drives.

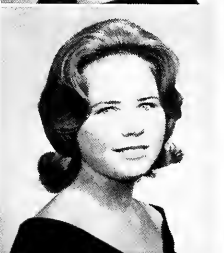

The officers serving Omega Chapter this year are Gwen Cheshire as president, Diane Molnar as vice-president, Claudine Walker as recording secretary, Elizabeth Wick as corresponding secretary, and Suzanne Mullins as treasurer.

PRESIDENT KENNY BUTLER

Alpha Delta's charter president outlines ideals of sorority life.

Terri Jo Kennedy joins sorority sisters at a tea which welcomes alumni.

Laura Hall's fascinating costume is the height of fashion in Delta Patch.

Delta Delta Delta

Delta Delta Delta was established on Thanksgiving Eve, 1888, at Boston University. Alpha Delta Chapter, founded at Stetson in 1913, is the oldest chapter in Florida.

Tri-Deltas honor their badge of three pearl-studded stars within a golden crescent and hold fast to their colors of silver, gold, and blue.

Tri-Deltas take a very active part in all phases of campus life. Carolyn Damianos is president and Kenny Butler is a member of Mortar Board, the women's leadership honorary at Stetson. Sara Booth is president of Stetson Hall and Roberta Nelson, Betty Kay Turner, Judy Swanson, Donna Dericks, and Yvonne Thompson serve on various house councils.

Margaret Jones has brought honor to the chapter both as a member of Tassel and as a Kentucky women's golf champion.

These Tri-Deltas are members of campus honor organizations: Kenny Butler, Kappa Pi; Sara Booth, Sigma Pi Kappa; and Roberta Nelson, Sigma Delta Pi. The chapter is also proud of Martha Woodbery, co-chairman of Stetson Homecoming for 1964, and of Anna Kight, first runner-up to Miss Hatter. Terri Jo Kennedy will represent Stetson's Pi Kappa Alpha Chapter in the national Pike Dream Girl Contest.

This year the chapter celebrated its Fiftieth Anniversary on November 23. Seven charter members returned, with many other loyal alumnae, to spend a day in fun, memories, and Tri-Delta fellowship.

These are but a few of the activities in which Tri-Deltas engage. Traditional activities of the sorority are the Apple-Polishing Party, Founder's Day Banquet, retreat, Blood Drive, Pansy Breakfast, and Tri-Delta Weekend.

Officers serving Delta Delta Delta this year are: President, Kenny Butler; Vice-president, Brenda Rains; Recording Secretary, Susan Bryan; Corresponding Secretary, Martha Barineau; Treasurer, Sharon McRae; Rush Chairman, Martha Woodbery; Pledge Trainer, Laura Hall; and Social Chairman, Patty Snow.

PRESIDENT CISSY HARRIS

Pi Beta Phi Sara Cole helps cheer team on to victory.

Laurie Hutchings and "Honeybun" perform in talent show.

Pi Beta Phi

Pi Beta Phi, the oldest national fraternity for women, was founded in 1867, at Monmouth College, Monmouth, Illinois. Florida Alpha, one of its one hundred and four chapters, was established in 1913, making Pi Beta Phi the first national Panhellenic organization on the campus of John B. Stetson University.

The sorority symbols are the golden arrow, the wine carnation, and the colors wine and silver blue.

The national philanthropic project is the Pi Beta Phi Settlement School in Gatlinburg, Tennessee, founded in 1912 for educational, medical, and social services.

Stetson Pi Phi's are active in every phase of campus life. Tapped for Tassel, leadership honorary for sophomore women, are Cissy Harris, Karen Kane, Donna Dollens, and Marty Farrington. Cheerleaders are Sara Cole and Cissy Harris, co-captain. Panhellenic Council President is Karen Kane and Virginia Holtzendorf serves as President of the Senior Class. Pi Phi's serve on house councils, publications staffs, and student union committees and are members of concert choir, Stover Theater productions, religious organizations, and scholastic honoraries.

Pi Phi's are proud of their group participation. The sorority won the annual scholarship bowl for the highest academic average, an intramural trophy, the Theta province service award.

Beauty honors are also numerous within the sorority, and the entire group is proud of these girls. They include Ann Lucas, Sweetheart of Sigma Phi Epsilon; Leslie Alexander, first runner-up in the Freshman Beauty Contest; Cissy Harris, Military Queen; Ginger Barnett, an R.O.T.C. company sponsor; and Virginia Holtzendorf, first runnerup in the Miss Stetson Contest and Greek Week Athena.

This year's officers for Pi Beta Phi are: President, Cissy Harris; Vice-president, Mary Dell Hardin; Recording Secretary, Donna Dollens; Corresponding Secretary, June Wirsing; Treasurer, Kathy Huff; Pledge Trainer, Ginger Barnett; Rush Chairman, Sandy Liddy.

PRESIDENT CAROL BUTLER

Jeanne Mazur dresses "in style" for Swiss Alpine party.

Phi Mu sisters enjoy an evening of relaxation and fellowship in their apartment.

Phi Mu

Phi Mu, the second oldest sorority in the United States, was chartered in 1852 at Wesleyan College, Macon, Georgia. Presently there are eighty-three collegiate chapters and one hundred seventy-nine alumnae groups.

Alpha Xi, the Stetson chapter of Phi Mu, was chartered in 1949. Its symbols are an oddly-shaped badge bearing a heart and hand embossed in gold and black, the colors rose and white, and the flower pink Enchantress Carnation.

Since the time it was chartered, Phi Mu's members have been active in all phases of campus life. Phi Mu places emphasis on scholastics and is proud to be represented in many scholastic honoraries. Two Phi Mu's were among the charter members of the local Mortar Board chapter. Members presently serving in organizations are Joy Kressman and Mary Bues, Kappa Mu Epsilon; Marcia Clemons, Sigma Beta Chi; Sandy Smith, Phi Beta; and Carol Butler, Gamma Theta Upsilon. Other activities include committees and various religious organizations.

Phi Mu also places emphasis on social services. The Chapter's major project is the care of an adopted Korean boy. His name is Chang Yung Sheik and he is fifteen years old. Every Christmas and on his birthday the chapter sends him a present and throughout the year regular correspondence is carried on between Chang and the chapter. The girls always enjoy getting his delightful letters written in Korean and translated into broken English by the people who care for him at the orphanage.

For the first time, this year Phi Mu has adopted a national social service project. The hospital ship, "HOPE," created under the Eisenhower administration, is now being helped by Phi Mu chapters all over the country. The chapters earn this money by selling various items on campus during the school year.

In keeping with the traditions of the chapter, the group holds an annual fall pledge retreat, Mother-Daughter Christmas party, spring retreat, spring weekend, and senior breakfast.

Officers serving Phi Mu this year are: Carol Butler, President; Marcia Clemons, Vice-president; Sandy Umbaugh, Recording Secretary; Mary Bues, Treasurer; Sue Gehrke, Rush Chairman; and Bonnie Zimmerman, Pledge Chairman.

Zeta Tau Alpha

Academically, Zeta has members in Beta Beta Beta, Kappa Delta Pi, Kappa Pi, Sigma Delta Pi, Sigma Beta Chi, Phi Society, Scroll and Key, Mortar Board, Honor Roll, and Dean's List. Also, Joyce Ashley was recognized as a Stetson Scholar.

Athletically, Zeta has retired the Intramurals trophy, winning four consecutive years, has won the Hatter Holiday trophy numerous times, and this year copped the trophies for Greek Week Olympics and the Chariot Race.

Socially, Zeta has entertained with desserts, breakfasts, retreats, and spring week-end for its members, socials with the six fraternities, and coffees and other activities with its alumnae.

Beauties include: Frances Lyle, Basketball Queen, Eileen Lipthrott Williams, the former Miss Stetson, Patti Cooper Bray, the reigning Miss Stetson, and Sallie Gaskins, the present Miss Hatter.

Anne Nathan excels in folk singing, guitar playing, and dramatics, appearing in Stover Theater productions. Denise Wall is a member of Stetson's tennis team and has been recognized in *Sports Illustrated*.

Administratively, Zeta is very active with Eileen Lipthrott Williams as Secretary of the Student Government Association, Jane Kraft as SGA Senator, Sandy Christian as chairman of Parents' Weekend Committee.

Sandy Christian, Phyllis McDaniel, and Denise Wall are Junior Counselors, and Judy Johnston is on House Council. Frances Lyle is a member of Mortar Board. Each member of Zeta Tau Alpha strives to uphold the goals of the National Fraternity, which was established at Longwood College, Farmville, Virginia, on October 15, 1898, and the goals of the charter members who founded the Stetson chapter in 1934, with Dean Turner as president.

Officers of Zeta Tau Alpha for 1963 were: President, Gayle Gregory; Vice-president, Pat Greene; Recording secretary, Phyllis McDaniel; Treasurer, Sue Anne Shaw; Rush Chairman, Frances Lyle; Ritual chairman, Denise Wall; Social Chairman, Brenda Ward; Corr. Secretary, Brenda Ward.

Panhellenic Council

PRESIDENT	Karen Kane
VICE-PRESIDENT	Sandy Smith
SECRETARY	Ann Nathan
TREASURER	Donna Dericks

Stetson's Panhellenic Council, a member of the national group, is the governing body for the six social sororities: Alpha Chi Omega, Alpha Xi Delta, Delta Delta Delta, Pi Beta Phi, Phi Mu, and Zeta Tau Alpha. The group represents preparation for service through character-building inspired in the close contact and deep friendship of fraternity life.

Of primary concern to Panhellenic is sorority rush. At the beginning of each semester it holds informative sessions to explain rush rules, preferentials, and penalties to prospective Greeks. This year it also sponsored a welcoming party for all freshmen women during orientation week.

The council also acts as a judiciary board, hearing all cases involving illegal rushing, broken pledges, initiation exceptions, and disputes between member sororities. Further, it annually awards a two hundred dollar Panhellenic Scholarship to a deserving female undergraduate.

Interfraternity Council

PRESIDENT Dick Ulack

VICE-PRESIDENT Edwin Mulock

SECRETARY Dwight Geiger

TREASURER Elliot Dunwoody

Corresponding to Panhellenic is the Inter-Fraternity Council, which coordinates the activities of and settles the disputes among Stetson's six social fraternities: Delta Sigma Phi, Lambda Chi Alpha, Pi Kappa Alpha, Pi Kappa Phi, Sigma Nu, and Sigma Phi Epsilon. Each of these groups are members of national fraternities pledged to uphold ideals and standards similar to those embraced by the University.

Fraternity life is one of the most important extracurricular activities of one's college career, as membership enhances one's sense of responsibility, scholarship, leadership, and belonging. The local chapters are aware of this importance and, aided by I.F.C., are ever conscious of their responsibility for developing men willing and capable of assuming positions of leadership both on the campus and in the world.

Delta Sigma Phi

The year 1899 marked the beginning of Delta Sigma Phi fraternity in New York City. The founders hoped to organize a new kind of Greek organization which would reflect the spirit of the Twentieth Century.

Alpha Chi chapter at Stetson was installed in 1925 with Dr. J. Ollie Edmunds, president of the university, as charter president. The chapter had been local since 1881, and finally decided to become affiliated with national in this year. One of the chapter's well-known traditions is the Sailor's Ball, which was initiated in the depression and has since been adopted as the official weekend for all 108 chapters of the fraternity.

Delta Sigma Phi constantly strives to assist their members in their individual college lives by a program of "engineering leadership." The goal is a balanced life of study, work, and recreation.

Delta Sigs are active on campus in many phases of school activity. Dick Ulack is president of the Inter-Fraternity Council, and Tom Riden and Don Coonley serve as representatives to Men's Council. Jerry Studier is president of the speech honorary, Pi Kappa Delta. Other brothers participate in honoraries, campus organizations, and varsity sports. Faculty members of Delta Sigma Phi include Wesley Berner and Donald C. Yaxley.

Other annual affairs conducted by the Delta Sigs are the Christmas "Pop Garner" party for underprivileged children and the Honky Tonk party given by the pledges for the actives.

Officers of Delta Sigma Phi for 1963: President, David McIlvain; Vice-President, Rick Zeller; Secretary, Don Coonley; Treasurer; Jim Thompson.

PRESIDENT RALPH HENRY

Several Lambda Chi brothers demonstrate a good way to spend a carefree afternoon.

Jack Barnard is a favorite in many Stover productions.

Lambda Chi Alpha

Kalepa Ta Kala is the open motto of Lambda Chi Alpha. It means "Naught Without Labor" and has provided the basic tenet for Lambda Chi Alpha since its founding on November 2, 1909, at Boston University. With this motto always in mind, Lambda Chi has become one of the largest international fraternities with a total of 156 active chapters.

Lambda Chi Alpha has a tradition of steady growth through work, always striving to improve in order to offer and to give more and more to its brothers. This has been the story of Zeta Tau Chapter on the Stetson campus from the beginning of the chapter in 1949 until the present. It is through working toward common goals and ideals that a close brotherhood is formed, and it is this brotherhood of which Lambda Chi is most proud.

In all areas of campus activity Lambda Chi strives to be well represented. The brothers are well known for their accomplishments and leadership, both as a group and as individuals. Lambda Chi's take an active interest in sports, and members of the fraternity participate on the basketball, soccer, and baseball teams. Among the brothers are representatives to the Student Senate, the director of the Traffic Committee, the editor of the *Stetson Reporter*, the president of the Ministerial Association, the secretary of the Interfraternity Council, and members of the Student Union Board.

Lambda Chi's may be found in Green Circle, Omicron Delta Kappa, and various other campus honoraries. Several brothers have been chosen for *Who's Who*; others were elected to Dorm Council and Men's Council. Many have served on Student Government committees, and the Outstanding Freshman is a member of the fraternity.

The desire to work to succeed has brought the fraternity to first place in scholarship. Through further adherence to *Kalepa Ta Kala*, the never-ceasing aid of friends and alumni, and the close brotherhood within the chapter, Lambda Chi Alpha will continue to maintain its high moral and scholastic ideals.

Ralph Henry is presiding over the brothers of Zeta Tau Chapter this year, with Todd Clay serving as vice-president, Tim Thompson as secretary, Joe Durham as treasurer, and Robert Keith as pledge trainer.

Pi Kappa Alpha

On March 31, 1951, Pi Kappa Alpha, founded in 1868 at the University of Virginia, welcomed the Delta Upsilon Chapter into the national organization. There are now one hundred and fifty chapters of Pi Kappa Alpha located at major colleges and universities throughout the United States.

The men of the Shield and Diamond are proud of members who have participated in campus affairs throughout the year. David Stacy has served as chairman of the Publications Board and Dick Pickering headed up this year's Greek Week Committee. Two Student Government Senators, Doug McKittrick and Mel Rodelli are members of Pi Kappa Alpha. Mel Rodelli also assumed the responsibilities for Homecoming.

Many other members were active in such activities as Green Feather Committee, Men's Council, Student Affairs, Student Government Association, Publications, Concert Choir, Green Circle, and Interfraternity Council.

Each March 31, the chapter acknowledges the founding of the fraternity with a Founder's Day Banquet.

Wherever pretty girls are found, you're likely to see a Pike. Typifying this is Miss Gail Mauldin, Pi Kappa Alpha Dream Girl. Lovely Miss Terri Jo Kennedy represented the fraternity in the annual Basketball Queen Contest.

The Pikes have always taken an active part in the sports program of the university. The fraternity is proud of their showing in intramural football as well as their overall intramural accomplishments. Pikes can be seen on various basketball, tennis, soccer, and baseball teams.

Pi Kappa Alpha is honored to be represented on Stetson's faculty by its adviser Dr. James Stewart, Dean of Chapel, by Dr. John Barthel, professor of economics, and by Father Lawson, professor of philosophy.

Officers serving in Pi Kappa Alpha this year are: President, Mel Rodelli; Vice-President, Bill Lunsford; Treasurer, Doug McKittrick; Secretary, Pat Kennedy; Pledge Master, Fred Littlejohn; and House Manager, Alex Boriss.

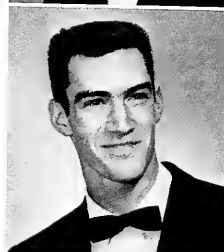

Charming Gail Mauldin is the Pikes' Dream Girl.

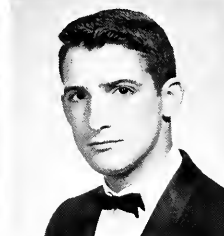

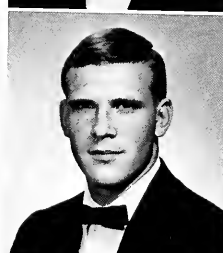

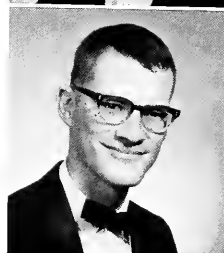

Dr. James Stewart, Dean of Chapel, serves as Pi Kappa Alpha's faculty adviser.

PRESIDENT BRUCE HAULMAN

Pi Kap Jay Brophy welcomes students to Stetson's campus.

Radiant Joanne Cheshire, Freshman Beauty Queen, is crowned by Gwen Knight.

Pi Kappa Phi

Pi Kappa Phi was founded as a Southern fraternity at the College of Charleston on December 10, 1904, with its traditions and ideals patterned after those of a true Southern gentleman. The fraternity has since grown into a large family which encompasses fifty-three chapters on all the campuses of the major Southern universities and colleges, with a few in New York, Oregon, and California.

Chi Chapter at Stetson, founded in 1921, brought to this campus all the qualities associated with the Ante-Bellum South, to which the chapter has devoted itself, pledging to uphold these standards.

Jay Landers, a senior, holds the office of president of the Student Government Association and one-third of the senators are Pi Kappas. Freshmen include John Haire; president, Steve Wilkerson, and Don Jackson. Hoyt Edge is a sophomore senator, and Chuck Bugg is president of the junior class. Also on the senate are Ray Smith, Ron Peacock, Bruce Haulman, and Richard Ginn.

Charles Liphthrott is president of Omicron Delta Kappa and Jay Landers, Chuck Bugg, and Richard Ginn are members. Jay Brophy was chairman of Orientation Week and Parents' Weekend Committee.

The Pi Kappas are active in intramurals and campus sports. Bill Pickens and Ken Kincaid are members of the varsity basketball team, and Bill Pickens was elected Greek God, thus keeping the honor for the Pi Kappas for the fifth straight year.

Traditions which are sponsored by Pi Kappa Phi include the Freshman Beauty Queen Contest, the Parade of Orchids, Dormitory Serenades, and Uncle Gy-Rack. Several members are active in Green Circle, and Jay Landers, Ray Smith, and Charlie Liphthrott were chosen for Who's Who in American Colleges and Universities.

Pi Kappa Phi strives to maintain the tradition of developing leaders on today's campus for tomorrow's world.

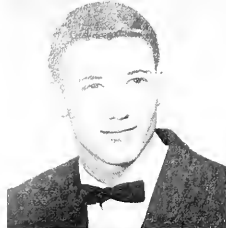

Officers of Pi Kappa Phi for 1963 were: Bruce Haulman, archon; Turner Matthews, treasurer; Frank West, secretary; Ron Peacock, rush chairman; Ken Kincaid, pledge trainer.

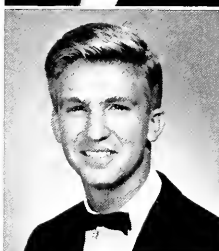

Pi Kappa Phi Sweetheart this year is Mary DeLeGal.

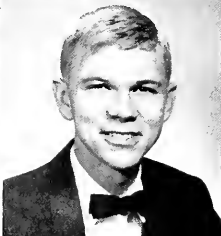

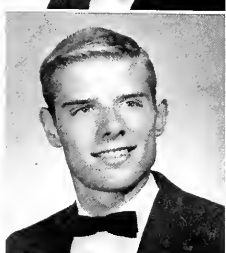

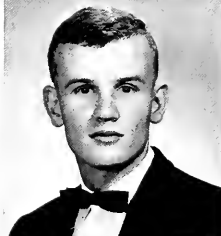

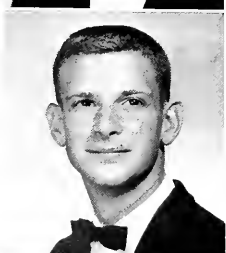

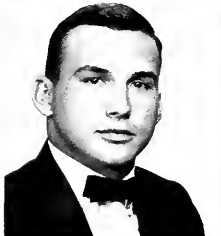

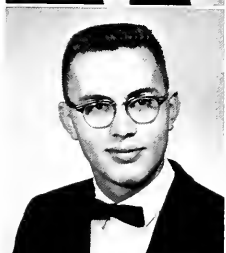

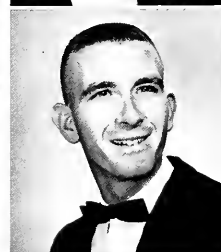

Virginia Holtzendorf and Bill Pickens symbolically open Greek Week activities.

PRESIDENT JIM TERRELL

The position held by Jim Terrell in ROTC reflects the many honors of all the brothers

Dewey Terrell chats with rushee at the Sigma Nu house.

Sigma Nu

Sigma Nu Fraternity was founded on January 1, 1869, at V.M.I., an Honor College, with brothers pledged to try to "walk in the way of honor." Now in its fifty-first year on campus, Sigma Nu was the first national social fraternity at Stetson. The members still try to maintain the standards first set by the Delta Mu chapter back in 1912.

Two members are officers of the Student Government Association. Doug Sucher is Vice-President and Neil Savage is Treasurer. Bill Dunwoody is President of the Business School, while Jim Chaplain is President of the Men's Council, a member of Omicron Delta Kappa, and Treasurer of the Student Union Board. Joe Garner is Vice-President of the SUB, and a member of Phi Society.

In varsity sports, Jack Sparks, Bill Clark, Jim Yeager, Jim Terrell, Jim Jarrett, Bob Pascal, and Stan Wallace are on the basketball team. Bowman, Terrell, Massing, and Kirik are members of the baseball team, and Savage and Reese are on the golf team. Skelton is captain of the soccer team.

In intramurals, Sigma Nu has taken the President's Cup nine out of the ten years. Jim Terrell is the Intramural Athlete of the year, and Dave Johnson is the Director of Intramurals. This year the fraternity kept its unbeaten record by winning the Greek Week Olympics again.

In other campus activity, Sigma Nu has been the top contributor to the Green Feather Drive for the past three years, was a leading participant in the campus blood drive, and continued to sponsor its annual Easter egg hunt for orphans. Jim Terrell and Tony Schoder hold two of the four top leadership positions in ROTC, while Doug Sucher is Vice-President of Scabbard and Blade and Tony Schoder is Secretary.

Sigma Nu is proud of the fact that each member strives to achieve excellence in all phases of campus activity and to seek to build a well-rounded individual within a well-rounded fraternity.

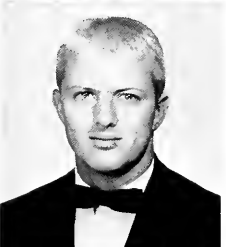

Officers of Sigma Nu for 1963 include: Commander, Jim Terrell; Lt. Commander, Bud Arnett; Secretary-Treasurer, David Johnson; Historian, Mike Watkins; and Pledge Trainer, Phil Wells.

Diane Chandler reigns as Sigma Nu Sweetheart.

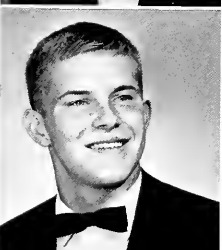

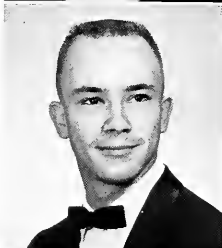

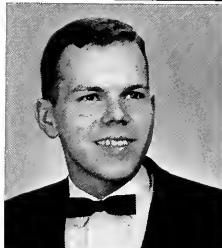

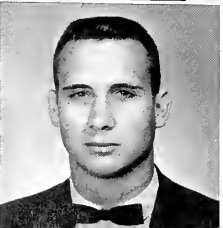

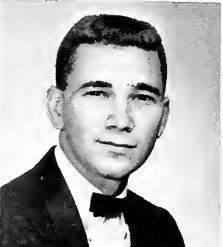

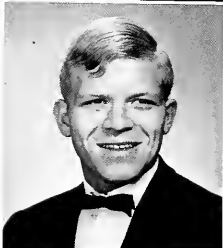

Fraternity members and their dates enjoy frequent parties held at the house.

Sigma Phi Epsilon

Sigma Phi Epsilon, the fraternity whose symbol is a heart, was founded in 1901 at Richmond College. The brotherhood boasts more than 70,000 active members and is the second largest fraternity in the world. The local chapter, Florida Beta, was installed in 1949 and is one of 162 chapters that span the nation.

The Sig Eps' varied social program provides diversion for members and their dates. Beach parties and record hops supplement such annual events as the Queen of Hearts Weekend, Pledge Dance, and Christmas Party.

Members of Sigma Phi Epsilon serve as president of the "S" Club, Dormitory Resident Adviser, Co-Chairman of Green Feather Drive, and as members of the Men's Executive Council, as well as on many other Student Government Association committees.

Athletics are not excluded, as the Sig Eps' participate as members of Stetson's varsity soccer, tennis, and golf teams. A brother's name appeared on last year's Florida Inter-Collegiate All Conference golf team. The Sig Eps' have a winning record in intramurals, finishing second in competition for the President's Cup, and maintaining their position as defending volleyball and bowling champions.

Sigma Phi Epsilon takes an active part in many local charities, as well as participating in a national fund to benefit underprivileged children. This fund was established in 1950, and is the first such project to be successfully administered by a national fraternity.

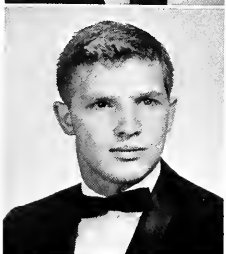

Officers serving Sigma Phi Epsilon for 1963 are: Ray Squire, president; Don Clark, vice-president; Bob Joiner, secretary; Mel Murray, comptroller; Tom Lokey, pledge trainer; Ron Allison, social chairman; Al Graustein, historian.

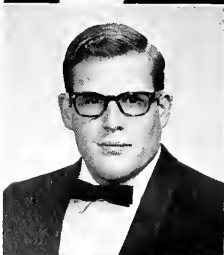

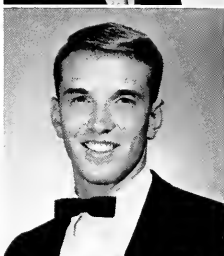

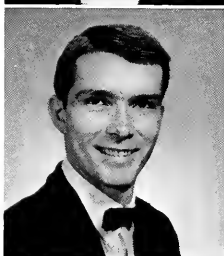

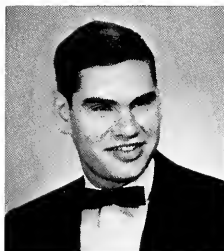

Lovely Ann Lucas reigns as Sig Ep Sweetheart.

UNIVERSITY

J. OLLIE EDMUNDS
President

Students view vase given to professor's wife by Chinese classmate of the president.

A Message From the President

I salute the Class of '64! I congratulate, not only its members, but all of the students who have had the good fortune to be on the campus during this particular year, for 1964 is destined to be remembered as one of the most significant years in Stetson's history.

It is the year during which the first fruits of the Ford Foundation's \$1,500,000 grant began to ripen. It is the year in which the friends of Stetson mobilized to raise \$3,000,000 of matching funds to secure this wonderful gift—the largest the University has ever received. It is the year in which, at last, Stetson achieved library facilities befitting a University of its stature. It is the year in which Stetson's work in science took its first great stride into the space age.

In an astonishingly short time this University of yours will be starting its second century of progress. When you come back then you probably will rub your eyes at the transformation of the campus, but one thing will not have changed: Stetson will still be Stetson. The Christian standards of the University will be the same. The goal of educational excellence will be the same. The University's ambition to produce alumni who "see life steadily and see it whole" will be the same. And the dedication with which Stetson will be serving Florida and the nation will be the same.

When the Class of '64 returns for its twentieth anniversary reunion, its members will take special satisfaction (and perhaps boast a little) when they recall that, not only were they here when Stetson rang up the curtain on the first act of its spectacular new drama of development, but that they were in the cast of characters!

School of Liberal Arts

The College of Liberal Arts is the oldest and largest of the four colleges comprising the University. It offers bachelor's degrees in the humanities, the natural sciences, the social sciences, and education. It also administers graduate studies leading to the master's degree in these fields.

Elizabeth Hall and Flagler Science Hall are the major classroom buildings. Art classes are being held this year in a temporary art building, while Allen Hall provides facilities for many classes in religion and philosophy.

Every student comes in contact with the liberal arts curriculum while attending Stetson. Through its general education courses one gains a well-rounded knowledge and understanding of the arts and sciences. The liberal arts major has the opportunity to participate in such courses of study as the Merrill Program of American Studies, the Honors Program, and the Washington Semester.

School of Music

The Stetson School of Music is a member of the National Association of Schools of Music. Its curriculum prepares students for careers in teaching, performing, creating music, and directing church music. It also offers a variety of courses for the non-professional, and there is a sub-collegiate department for children and for students whose previous training has been insufficient.

The School of Music is housed in DeLand Hall and the Music Annex, with separate facilities for the bands and the orchestra in the Band Hall and the Brass Annex. A specialized music library supplements the music literature collection of the University Library.

The University choral groups make many Florida and out-of-state trips for special concerts and festivals, besides participating in many campus activities and presentations. The orchestra delights audiences in Elizabeth Hall and provides music for the productions at Stover Theater; the University Band has evening programs and several spring lawn concerts; and the pep band brings crowds to life at soccer and basketball games.

School of Business

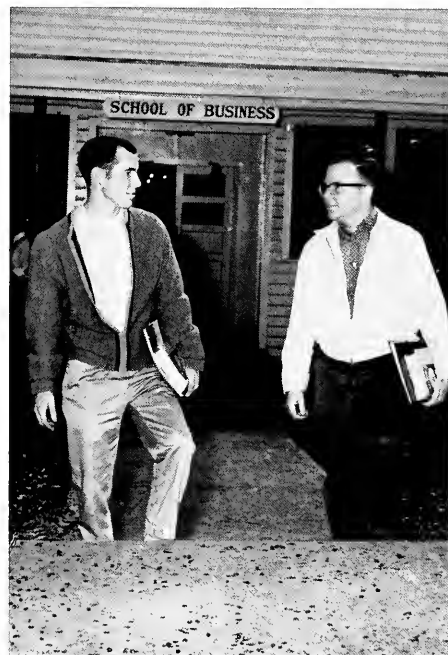

Stetson University has been teaching business subjects since 1885. In 1912, a complete curriculum leading to a degree in business was established. The School of Business Administration is housed in its own building on the Deland campus.

To avoid handicapping graduates from a limited education, business majors are required to take approximately forty percent of their work in the liberal arts field. The faculty endeavors to cultivate in students high ideals of business morality and social responsibility. Students are encouraged to acquire a clear understanding of modern industrial society. They may concentrate in the fields of accounting, general business, business-law, finance and banking, real estate and insurance, management, marketing, economics, business education, or secretarial science.

The School of Business Administration is fully accredited by the Southern Association of Colleges and Schools, and the National Council for the Accreditation of Teacher Education. The courses of study are approved by the State Board of Accountancy and the State Department of Education as well as by other national, regional, and state associations.

Stetson Law School

HAROLD L. SEBRING
Dean of the College of Law

Founded at DeLand in 1900, the Stetson University College of Law is Florida's oldest law school. In 1954 it was re-located in St. Petersburg in order to make it possible for the college to have its own separate campus and to undertake a greatly expanded program of legal education.

One of the most distinctive features of the college's program is its unique adaptation of the British system of legal education to the conventional American system. This English system, which has been modified to meet the special needs of American law students, emphasizes close personal contact between students and practicing attorneys. Under this program the students not only live and study with members of a distinguished corps of teachers headed by a former Chief Justice of the Florida Supreme Court, but also have the opportunity to meet other leaders in their chosen profession.

In addition to producing good lawyers, the college also endeavors to create good citizens with high standards of character and integrity.

Editor's Epilogue

The end . . . at last! A long, hard pull—then finally, victory. These phrases describe the feelings of both the editor and the staff as the 1964 Hatter goes to press. It was a difficult journey for all—keeping many up all night, before deadlines, causing many gray hairs and fostering mass trauma in the minds of the editors as a picture is discovered missing five minutes before the copy sheets are sent to Dallas. Yet we made it, unbelievable as it sounds, through all deadlines to a completed book.

The term “we” is very appropriate, for the Hatter had a forty member staff which functioned relatively efficiently. They were faithful and shouldered responsibility and many thanks are due them.

Photographers, of course, are irreplaceable. Thanks go to Neil Carlson, Shirrel Rhoades, and Phil Wells for their patience and helpfulness throughout the year. Shirrel was of special value, for he took all of the color pictures and advised the staff concerning photographic matters time and time again.

The staff has been well-advised this past year; Ron Binns and Lon Watters, representatives of Taylor Publishing Company, have been invaluable in their knowledge of yearbooks and yearbook standards. Dr. Ethel Colbrunn of the Stetson English Department has served as faculty adviser and Dean Etter Turner has also assisted the staff in many ways. Many others have given us advice and we appreciate those who have shown sincere concern for our journalistic effort.

This will appear on the last page of the 1964 HATTER which, I hope in some way, presents a picture of life on the Stetson campus. By picturing the many faces of Stetson people and buildings, we can portray what Stetson is like, day by day. This has been our goal throughout the year; it is up to you to decide if we have succeeded.
